BLOCKS, BINS & BONUSES

Object

- Move Blocks from Starting Zone (shown with sunburst near front corner of the field) to the Bins in the Scoring Zones

- Collect Bonus Points by parking on the Black Ramp during Autonomous Mode and/or parking on the Bridge during End Game.

Starting

- Robots must be in contact with the wall on their half of the Field.

Scoring Block Points:

- Each Block on the Field Floor of the Scoring Zone = 5 Points

- Each Block lifted into the 3" high Red or Blue Side-Bin = 20 Points

- Each Block lifted into the 6" high Red/Blue Bonus-Bin = 50 Points.

Autonomous Parking (30 second):

- Parking fully on the Black Ramp earns 20 Points.

End Game Parking (30 second):

- Parking on a unbalanced Bridge at Games End earns 10 Points per Bot

- Parking on a balanced Bridge at Games End earns 20 Points per Bot
